2Q FY3/19 Results

2Q FY3/19 Financial Highlights (1)

- ▶ **Net sales** increased YoY because of the establishment of new facilities as well as sales growth of existing facilities.

Net sales 14,278 million yen (YoY+12.0%)

- ▶ **Operating income** decreased YoY because of increase of recruitment cost, allocated cost of nursery school teachers which was ahead of entrance of children. **However, since Jun. 2018, the number of entrance of children has been gradually increasing. As a result, operating income increased YoY in the 2Q.** **Ordinary income** and **net income attributable to owners of parent** decreased YoY, as a decrease in operating income had large impact, although non-operating revenues grew thanks to an increase in subsidies for corporate dormitory users.

Operating income 168 million yen (YoY-62.6%)

Ordinary income 399 million yen (YoY-32.7%)

Net income attributable to owners of parent 235 million yen (YoY-32.1%)

- ▶ Consolidated earnings forecast

Will implement organizational and business structure reforms aimed at improving management efficiency, and provide better quality child-raising services and contribute broadly to society

Net sales 30,001 million yen (YoY+12.0%)

Operating income 1,847 million yen (YoY+41.8%)

Ordinary income 2,196 million yen (YoY+38.8%)

Our Plan to Secure Nursery School Teachers(2)

Enhance recruitment

- Hold seminars and bus tours to visit nurseries according to career level around Japan
- Provide employment support money
- Arouse interest for potential nursery school teachers by recruiting short time or late time workers who have segmented needs

Acquire qualification of childcare

- Started a benefit scholarship system from FY3/16. This supports those aspiring to be nursery school teachers from their student days and leads to their desire to join our company.
- Started training course recruitment for those who are unqualified but who are looking to pass the national test at our company from FY3/16.
- Expanded recruitment of kindergarten teachers who are willing to become qualified nursery staffs with sponsored support.

Mitigate burden

- Reduce the daily burdens on day carers by employing administration staff and janitors
- Reduce burden of office works through ICT
- Allocate part time workers specifying to late time of a day and reduce burden of regular employees
